

Cell Phone and Electronic Device Policy

Cellular telephones or any other electronic devices must be kept out of sight and out of sound between the hours of 7:30am and 3:30pm on school grounds. The only exception to this policy is if a staff member requests a specific scholar use his phone under that staff member's direct supervision or an emergency. Smart watches may be worn but only used for time keeping purposes. Smart watches may not be used for communication, music, gaming or unauthorized purposes.

All phone calls made by students while on school property are to be made through the office with a pass.
