3	UFLI Foundations, Ventriss Learning; Reading Street, Pearson
4	Reading Street, Pearson
5	Reading Street, Pearson
6	Reading Street, Pearson
7	Reading Street, Pearson
8	Reading Street, Pearson

In addition to the core reading program, Smith Academy offers remedial programming as well. Remediation takes place through: pull-outs, push-ins and extended academic time. Scholars in need of remedial work are served in small groups and one-on-one situations. These remedial opportunities are provided by classroom teachers and paraprofessionals. All of the remedial programs are available to all grade levels.
